

## What Services Are Provided?

There are clinics throughout King County that provide some or all of the following services. Phone the clinic nearest you for an appointment or more information about their services.

- ▶ Complete medical care for the whole family
- ▶ Immunizations
- ▶ Family Planning and women's health care, including pregnancy testing
- ▶ Maternity care
- ▶ Treatment for sexually transmitted diseases (STD)
- ▶ Dental care
- ▶ WIC food and nutrition program
- ▶ Interpretation services for those with limited English

## How Much Will It Cost?

All clinics accept health insurance, including Medicaid coupons, Basic Health Plan and Medicare. The cost may be discounted, depending on your income and family size. All accept donations. Ask about the cost when you make your appointment.

## Need Free or Low Cost Health Insurance?

If your total income (not take home pay) is less than the amount on the following chart, you or your children may be able to get free or low cost health insurance. Call the clinic nearest you and ask about free or low cost health insurance, Medicaid and Basic Health Plan. At this time, Basic Health is only taking children and pregnant women who don't qualify for Medicaid.

Family Size	Children's Health Insurance*	BHP**
